Scholarship Selection Criteria

Please respond to each question fully but concisely. You may use another page if necessary. Keep a copy for your records. Please include three references.

There are many good training programs for Spiritual Directors throughout the U.S. and Canada, and it is our hope that the Spiritual Directors in Colorado will reflect the richness of that diversity. With that in mind, we strongly recommend that you investigate several training programs before making your choice. We will want to know what programs you considered and why you have chosen the one you did.

Selection of scholarship recipients will be made based on the following criteria:

- The applicant must have been a member of his/her faith community for at least the past 12 months.
- The applicant must be recommended by at least three individuals, including a representative of his/her faith community.
- The scholarship will be a maximum of \$300 per academic year for the training program chosen. The applicant is responsible for procuring the remaining funds.
- The scholarship will be paid directly to the training program, or as reimbursement to the applicant upon submission of a signed and dated receipt from the training program.
- The applicant must be accepted to the chosen training program prior to scholarship disbursement .

The selection of recipients will be made by the SDCO.

Guidelines for Practicing Spiritual Directors

Spiritual Direction Colorado (SDCO) seeks to keep those ministering as Spiritual Directors in a collegial relationship with each other within the State. It is in this spirit that we inform you of several guidelines for Spiritual Directors practicing in Colorado.

- ❖ We encourage all Spiritual Directors to attend a workshop on the Prevention of Sexual Misconduct. For example, the Episcopal Diocese of Colorado offers regular training workshops on the Prevention of Sexual Misconduct². Your own faith community may offer a similar type of workshop.
- ❖ If you decide to charge a fee or receive a donation for your ministry of spiritual direction it is suggested that you carry liability insurance³.
- ❖ Each Spiritual Director is encouraged to study, and to have on file a copy of the Code of Ethics for Spiritual Directors⁴.
- ❖ Each Spiritual Director is expected to be in regular personal Spiritual Direction, and to be in regular Supervision.
- ❖ It is also expected that each Spiritual Director will seek out opportunities for Continuing Education.
